I don't know what to do when the fire's going out,
I don't know where it ends and,
I don't know where it starts,
You tell me that I have to wait until tomorrow,
But I don't know if I can make it through today!

You will never know,
What it's like to be here,
What it's like to be me,
I won't let it show,
What I'm really feeling,
Now that you are leaving!

One year later and the fire's going strong,
I don't know what I did and,
I don't know what went wrong,
You tell me that I have to wait until tomorrow,
But I don't know if I can make it through today!

You will never know,
What it's like to be here,
what it's like to be me,
I won't let it show,
What I'm really feeling,
now that you are leaving!
I don't know what you want from me,
It's something that I cannot see,
And everything you want from me,
Is something I will never be! (2x)

You will never know,
What it's like to be here,
What it's like to be me,
I won't let it show,
What I'm really feeling,
Now that you are leaving!

I wont let it show,
I wont let it show,
I wont let it show,
I wont let it show,
Now that you are leaving!

Now that you are leaving!
