Do you wake up crying yourself back to sleep?
Do you wake up?
Just one more drink,
I swear and I'll be ready to get up again,
You're stare is killing me more then you care to know,
I know that you don't know a single thing about me,
I know cause it's written right across your face
Do you wake up crying yourself back to sleep?
Do you wake up?
Do you think that I am only here for you?
Will you wake up
I don't want to go home,
Right now at home I am cold and all alone,
For now, one day will be better so they say,
To me they don't know a single thing about me,
I know because it's written right across their face
Do you wake up crying yourself back to sleep?
Do you wake up?
Do you think that I am only here for you?
Will you wake up
Wake up
Do you wake up crying yourself back to sleep?
Do you wake up?
Do you think that I am only here for you?
Will you wake up
Do you, do you, do you wake up?
Do you, do you, do you wake up?
