"Run Run Run"

Visit "[Run Run Run](#)" on [MotoLyrics.com](#)

all is fair in love and war
but all i do is love you more
our love is crazy ,unhealthy
but i can't
keep from you baby
so you said ,why even bother"
set this love set me on fire
how i wish
you'd be the victim
so you'd see
just how i'm feelin
you better know know know
that i have conditions
i make the rules
and make the decisions
and i(3x) want nothing less than
what i deserve
so you better run run run
before i decide that
you are mine two stars will collide
you better run run run
nowhere to run
but to me
somehow i don't
get the picture
don't know why you
are the winner
our love is not what
we wanted but baby
you finish just what
you started
so you said ,why even bother"
set this love set me on fire
how i wish
you'd know me better
so you'd see
what i'm trying to say
you better know know know
that i have conditions
i make the rules
and make the decisions
and i(3x) want nothing less than

what i deserve
so you better run run run
before i decide that
you are mine two stars will collide
you better run run run
nowhere to run
but to me
you are the cause
of all this pain and
you are the reason
i'm upset
you are the cause of
all this pain but you
are the cause of all
this love
you are the
thing i can't forget
you better know know know
that i have conditions
i make the rules
and make the decisions
and i(3x) want nothing less than
what i deserve
so you better run run run
before i decide that
you are mine two stars will collide
you better run run run
nowhere to run
but to me
you better know know know
that i have conditions
i make the rules
and make the decisions
and i(3x) want nothing less than
what i deserve
so you better run run run
before i decide that
you are mine two stars will collide
you better run run run
nowhere to run
but to me
you better know know know
that i have conditions
i make the rules
and make the decisions
and i(3x) want nothing less than
what i deserve
so you better run run run
before i decide that
you are mine two stars will collide
you better run run run

nowhere to run
but to me
