Meet Coraline

Seems an average girl to the wise

Soft hair, innocent eyes

Perfect lips for perfect lies

She tells them she's fine

How nice it must be

To think that they're blind or that they just don't see

Well, her ignorance flies only so far

And they're just out of reach

So look in her eyes and tell me she's fine

Her dreams come alive

Her perverted attempt at reality, a grotesque

demonstration of sanity

Ignored, oh, she cries

As she lies there, so sublime

She tells them she's fine

How nice it must be

To think that they're blind or that they just don't see

Well, her ignorance flies only so far

And they're just out of reach

So look in her eyes and tell me she's fine

You're so sweet, Coraline

Breath, won't you, breath, just you, breath

Oh, you're so sweet, Coraline

All your dreams come alive

Dream

Take a breath so you won't die

Watch her dreams come alive

Oh, sweet Coraline, take a breath so you won't die

She tells them she's fine

How nice it must be

To think that they're blind or that they just don't see

Well, her ignorance flies only so far

And they're just out of reach

So look in her eyes and tell me she's fine

So look in her eyes and tell me she's fine
So look in her eyes and tell me she's fine
Oh, Coraline
You're so sweet, Coraline
