"Take Cover"

Visit "[Take Cover](#)" on MotoLyrics.com

Old, cracked and rusted dream machine
It's all turned to static
Strike match, light fuse, combustion
No time to panic

I'm not your enemy
I'm not what you adore
I'm not your neighborhood friendly sadist
I'm not anything anymore

You don't define me anymore
You tried so hard to take over
You sold your lies just to blind me, well you'll get yours
You all should take cover

One last adjustment, clip my wings
I'll find my footing faster
Time's fast, counting down to destruction
To avoid disaster

I'm not your enemy
I'm not what you adore
I'm not your neighborhood friendly sadist
I'm not anything anymore

You don't define me anymore
You tried so hard to take over
You sold your lies just to blind me, well you'll get yours
You all should take cover

I sold my soul for piece of mind
And piece by piece I've come to find
I'm scared, I'm terrified, so tired
Like a terrorist surprise, I'm wired
Unable to explode, a revolution set to go
Don't turn your back on me
I won't be left behind

Time's fast, counting down to destruction
To avoid disaster

I'm not your enemy
I'm not what you adore
I'm not your neighborhood friendly sadist
I'm not anything anymore

You don't define me anymore
You tried so hard to take over
You sold your lies just to blind me, well you'll get yours
You all should take cover
