Remix).

Ladis and Gentlemen  
Party pepole in the place could be  
Are you listen this?  
Don't you know the time has come for you and me?  
To understand the are coming switch  
So ther is song wish the art dj will start the new year for  
the next thousand years  
For this switch for the good not for the worst  
Cause it takes more than you and me to say  
"everybody"  
Raise number one had it to number two  
I know and you know what to do  
10-9-8-7-6-5-4-3-2  
Are you readyyyyyyy???!!!!!!!!!!!!!!!!!!!!!!!

We all feel the pain  
Is it necessary?  
When we feel the pain  
Better stick together  
Music is the way  
To releave the pressure  
Music "on the way"  
Do you get the message?
