

## Champagne Champagne "I Fell Through"

Visit "[I Fell Through](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I fell through (x8)  
grace you with my presence and,  
i had a couple plans but  
i didnâ€™t make the grey and i fell through,  
now we back with that brand new

off broadway you can find my posse,  
cant stop and talk iâ€™ll be on my matzi(?),  
regular-ass clothes iâ€™m not too flossy,  
I still look good i donâ€™t care what it cost me

remnants of (?) rest of (?) in me,  
if im tryinâ€™ to get saucy,  
I like my chicks thick and not too bossy,  
if my heart gently weeps, its way too softly

channel my chi like Bruce Lee,  
who else could it be,  
technicolor dashiki,  
asses real freaky  
banned from Seattle like it came from DC  
always have bad brains, you can tell when you see me  
what once was hard is now made easy,  
please believe me  
I might fall threw with a couple of breezies,  
canâ€™t fail you â€™cause i know that you need me

I fell through (x8)  
grace you with my presence and,  
i had a couple plans but  
i didnâ€™t make the grey and i fell too,  
now we back with that brand new

I fell through on you,  
you see youâ€™re my boo  
you really felt me through and through,  
now what am i to do without you  
youâ€™re like my homie, but deeper  
even met my people  
got a vivid (?) member of a sleeper(?),  
kinda fell on my lap  
I remember the beginning, homeless

with a box of beer and some spinach,  
now im Champagne playing on some pimp shit  
Not a reminisce for old flings  
This the song I sing  
about the hell and the might  
and this is all we got  
time break  
more (?) on some Michael Phelps shit who smokes the  
pot,  
Champions, we fucking rock  
Iâ€™m sorry â€™bout my funky socks,  
i thought about it a lot,  
your renouncion is hot,  
and im clearly, nearly, one of the best to ever rock,  
so yo letâ€™s hit the block and taste some vodka with  
me, vodka face.

grace you with my presence and,  
i had a couple plans but  
i didnâ€™t make the grey and i fell too,  
now we back with that brand new
