I am a boy hiding behind the eyes of a man drowning in
darkness,
I am a soul dying inside feeling so reckless living a lie,
I am a heart ready for love,
I've been so selfish running from time,
When I think of all the truth behind the lies,
Makes me feel empty makes me feel like,

I am a rod broken in pieces,
Just like the sand that slips thru my fingers,
I am a cloud crying these tears blocking the sun out
trying to hide these fears.

I don't wanna feel like it may be to late,
I'm fighting hard to find the road to take,
I've been so lost I'm trying to find the way,
Cause I am a man, I am a man.

I am a tree rooted in sorrow grounded in pain so tragic
in ways,
But I am a smile waiting for laughter waiting for
someone I've yet to be,

I don't wanna find out it's too late (I don't
wanna feel like it may be to late),
Fighting hard to find the words to say (I'm fighting
hard to find the road to take),
I've been so lost trying to find my way (I've
been so lost I'm trying to find the way),
Cause I am a man, I am a man.

I don't wanna feel like it's too late (I don't
wanna feel like it may be to late),
Fighting hard to find the words to say (I'm fighting
hard to find the road to take),
I've been so lost trying to find my way (I've
been so lost I'm trying to find the way),
Cause I am a man, hear me I am a man.

I am a life just starting to live,

I don't wanna feel like it's too late

(ummmmmmm, too late),
Fighting hard to find the words to say (I'm gonna
find it somehow),
I've been so lost trying to find my way (So lost, So
lost, hmmmmmm),

I don't wanna feel like it's too late (don't
wanna feel),
Fighting hard to find the words to say (Show me how to
find the way),
I've been so lost trying to find my way (So lost, Can
you hear me, Can you hear me),
(I am a man).
