Your love is sweeter than wine,
Your love is bitter.
Behind the camouflage, behind the glitter,
Beneath the neon lights you're still a sinner.
Your pretty looks may fool, but you're a killer.

You make me feel so good, you make me feel so good,
You make me feel so good, you make me feel so...

As you're pulling me deeper and deeper in,
I am choking beneath your changing skin,
Keenest bleeder, used up heart, your redemption left a
mark.
I remind you I'm not here just to kill your guilt!
Your guilt...

Your eyes get troubled and speak, your body shivers,
They speak of pleasures so deep, God you deliver...

You make me feel so good, you make me feel so good,
You make me feel so good, you make me feel so...

As you're pulling me deeper and deeper in,
I am choking beneath your changing skin,
Keenest bleeder, used up heart, your redemption left a
mark.
I remind you I'm not here just to kill your guilt!
Your guilt...
