I never heard your name before, I felt you coming I was  
sure,  
You knew me well, you knew just where to find me.  
We sat and talked about the good old days.  
We had some drinks and started to play,  
The sweetest game, as vicious as a plague.

Hello Lady Hoax they used to call me Mr. Fraud,  
True love's not meant for us, we are the criminals  
of hearts.

And I know this is just our little whim, it's just a joke,  
it's just our little thing  
Although I know I shall have it all!  
And somewhere between there and here, you will smile  
and disappear.  
We can't allow ourselves to trust the things which  
never really last.

Hello Lady Hoax they used to call me Mr. Fraud,  
True love's not meant for us, we are the criminals  
of hearts.

There she goes, there she goes, there she goes  
On her own!  
There she goes, there she goes, there she goes  
On her own!  
Sailing her ships far away, she's sailing away from  
me!

Hello Lady Hoax they used to call me Mr. Fraud  
True love's not meant for us, we are the criminals  
of hearts
