can you feel the heat of my love tonight?
hold me closer
can you hear the beat of my love tonight?
it's getting louder
you've gotta cross your heart
and hope to die
promise you won't make me cry
that's the only way I know
i won't get hurt
cross my heart
hope to die
promise I won't say goodbye
that's the only we know
we won't get burned
But if you never leave me
And if you don't deceive me
i'll be yours
you'll be mine
honey honey, don't you trust me?
And if you don't believe me
you just wait and see
i'll be yours
you'll be mine
honey honey, want your lovin' .
can you feel the heat of my love tonight?
hold me closer
can you hear the beat of my love tonight?
it's getting louder
you've got to take a heart
break a heart
watch the pieces fall apart
that's the only way i'm sure
you won't get hurt.
take a heart
break a heart
watch the pieces fall apart
that's the only way i'm sure
you won't get burned.
But if you never leave me
And if you don't deceive me
i'll be yours
you'll be mine

honey honey, don't you trust me?
And if you don't believe me
you just wait and see
I'll be yours
you'll be mine
honey honey, want your lovin' .
and i swear I'll never lie
at least promise that I'll try i do
honey honey don't you trust me?
i dunno if we can last
but my heart is beating fast for you
honey honey want your lovin'
I'll thank my lucky stars
if this fantasy of ours comes true
let's give ourselves a shot
I'll give everything I've got to you
Chorus 2x
