Hey baby
I just wanna let you know
that I ain't never gonna let you go
Wasn't so long ago
that I almost believed that my
luck was over (oh no)
though I'd never ever love again
once I met you I could not pretend
and it took over (mmhmm)
And just as long as you can always show me
then boy just show me
And just as long as you can hold me tightly
let's take it slowly, slowly
I'll make it worth your while.
Ooh.Ooh Ooh, Ooh
I'm never gonna let you go
never never, never never gonna let you go. (x2)
Should have recognized it from the start
when you laid your hand across my heart
and I stopped breathing (ooh yeah)
When I let you up into my world
I'm a timeless loving type of girl
and it's so easy (mmhmm)
And just as long as you can always show me
then boy just show me
And just as long as you can hold me tightly
let's take it slowly, slowly
I'll make it worth your while.
Ooh.Ooh Ooh, Ooh
I'm never gonna let you go
never never, never never gonna let you go. (x2)
Never gonna let you go boy
Never gonna let you go (Oh no baby)
I promise that I'll treat you right boy
more than you'll ever know
1, 2, 3, 4
Ooh.Ooh Ooh, Ooh
I'm never gonna let you go
never never, never never gonna let you go. (x3)
I promise that I'll treat you right boy
more than you'll ever know
