A little bird told me
that they saw you with my man
Saw you laughing,
making out & holding hands
Oh no no, I might be nonchalant
Oh no no, but I've known it all along
No Love Lost
Star crossed lovers double cross
that's okay with me
The price you pay ain't worth the cost
But you're too blind to see
You can keep him
cuz he ain't worth fighting for
Yes, I'm leaving
and I'm holding out for more
Oh no no, now he's your cross to bare
Oh no no, life ain't always fair
No Love Lost
Star crossed lovers double cross
that's okay with me
The price you pay ain't worth the cost
But you're too blind to see
You might get on like a house on fire
Did you ever stop to think?
If you build your house on top of quicksand
then surely it will sink
No Love Lost
Star crossed lovers double cross
that's okay with me
The price you pay ain't worth the cost
But you're too blind to see
