Did your daddy ever kill a man
I know my daddy did
he didn't use a gun or knife
he used his tongue instead
He might call himself a charmer
and call himself a man
you'll only see the player
cuz that's his battle plan
Did he leave a thousand women
did he lose a million green?
If you ever met my daddy
you'd know just what I mean
I still love him
no matter what he's done
I still love him
and he's my only one
he might be a lying, stealin', cheater
I'm just like him
I'm a pleasure seeker
And if you see my daddy
don't tell him what I said
if he knew this songs about him
it might go to his head
He can live below a dollar
just to live above the law
A skinny little woman's
gonna be his fatal flaw
He's got an empty house
and a lonely soul
he's as sweet as the devil
but he's just as cold
I still love him
no matter what he's done
I still love him
he's my only one
he might be a lying, stealin' cheater
I'm just like him
I'm a pleasure seeker
when your daddy's little girl
your daddy's little girl for good
your always wanting more
and if you could get more you would

youâ€™ve been trying to do the math
and adding up the clues for years
itâ€™s hard to see the truth
while walking in his shoes
and tryin to dry off all of your tears
i still love him (x4)
he might be a lying stealing cheater
iâ€™m just like him iâ€™m a pleasure seeker
I still love him
no matter what heâ€™s done
I still love him
heâ€™s my only one
he might be a lying , stealin cheater
iâ€™m just like him
iâ€™m a pleasure seeker
