I don't think you'd like me if you knew what I
was thinking
but I've been a naughty girl for so long
And you can't snuff out this fire that I'm
burning
Cuz every time you come inside it feels so right
must be wrong
Please I must confess
I need some help
But I just can't find it
Please excuse the mess
Cuz I can't help
that I'm so dirty minded
Staying up every night
It's an open invite
Let's Get It On
Cuz it's a song for the sinners
Don't you turn off the lights
I wanna show you the sights
Let's Get It On
This is a song for the sinners
Show me your secret something and I just might let you
enter
undiscovered places to explore
now that you're here take a tour
of my pleasure center
I'll make you feel like you've never felt
and I'll leave you begging for more (please)
Please I must confess
I need some help
But I just can't find it
Please excuse the mess
Cuz I can't help
that I'm so dirty minded
Staying up every night
It's an open invite
Let's Get It On
Cuz it's a song for the sinners
Don't you turn off the lights
I wanna show you the sights
Let's Get It On
we'll have a lovely lovely time (repeat)

chorus
