### Lifes A Struggle

Where do I start, where do I begin  
Life is a struggle, just cant seem to win  
Take a look around, what do we see  
Thousands of people, who just cant agree

Why do we judge, We are all the same  
Life is a struggle, treated like a game  
Black or white, thick or thin  
Its not who we know, or where we've been

Smile everyday, always stand tall  
Life is a struggle, get up if you fall  
Take pride in yourself, stay who you are  
Shine like an angel, you'll soon be a star

Chorus...  
Believe in yourself, no matter what they say  
Your beautiful in every single way  
Take your time, only you can succeed  
A positive attitude is all that you need  
Believe in yourself.....Believe in yourself

Dont ever give up, keep your head held high  
Lifes a struggle, not easy to get by  
Is it a star you wish, then shine everyday  
Dont be shy, you will soon get your way

Step by step, its all in your heart  
Lifes a struggle, just play your part  
Its all up to you, you can make the choice  
Become a star, let the world hear your voice

Whether it is school, or a career in fame  
Lifes a struggle, you'll get there the same  
Remember great things, they come in time  
It is a mountain, you must try to climb

(Chorus)
