CHARLENE:

Every night I walked the streets  
Never dreaming what could happen  
Sad and so lonely  
I saw in the mirror my reflection  
Staring back at me  
I thought, will I ever find what I need?

But I'll wear that dress if you wear the tie  
And, baby, we'll dance through the night  
'Cuz no one's got what we've got going  
Happiness never held on to me  
Until you had me see  
That together we're just better off

DARREN:

Oh, my heart's been tried  
Time and again  
Always thought that it was me but  
I see now just how wrong i was  
No, I haven't known you for a lifetime  
But somehow I've never been more sure that you're for  
me  
Baby, please  
Don't leave, just come and dance with me tonight

But I'll wear that dress if you wear the tie  
And, baby, we'll dance through the night  
'Cuz no one's got what we've got going  
Happiness never held on to me  
Until you had me see  
That together we're just better off

Don't be cruel to me  
Oh, I've wanted more  
And I've been wrong before

So much learning to lose  
But you're not a day too soon  
So say you feel the same and  
We'll never be lonely anymore

But I'll wear that dress if you wear the tie  
And, baby, we'll dance through the night  
'Cuz no one's got what we've got going  
Happiness never held on to me  
Until you had me see  
That together we're just better off
