Hey- 6:30

And itâ€™s time to go to work

Kiss my babyâ€™s face- Donâ€™t wanna disturb her  
Then I- Jump into my car and Iâ€™m on my way

Yea- Itâ€™s gonnaâ€™ be a hectic day  
And Iâ€™m ready for that

Hands on the clock ti ti tock they to turn slowly  
But ta - Gotta ta keep pushinâ€™ - keep on pushinâ€™  
thru

Oh- itâ€™s about that time of day  
My phone starts to ring- and I know who it is

Yea- Itâ€™s just a game we play  
Each and everyday- Canâ€™t wait to hear her say

I love you- I love you- Yea, love you- I love you

The workday is finally over  
Been a long one - thatâ€™s a fact

Heavy traffic â€œWhile Iâ€™m Drivinâ€™  
So I play the radio and sit right back

I know that sheâ€™s wait-tin at home for me  
Canâ€™t wait to see her face----- See a

Sheâ€™s always gotta, somethinâ€™ good for me  
That keeps runninâ€™ - keeps me runninâ€™ back

Oh- itâ€™s about that time of day  
Her phone starts to ring and she knows who it is

Yea- Itâ€™s just a game we play  
both win the game today- weâ€™ll kiss and then  
weâ€™ll say

I love you- I love you- Yea, I love you- I love you
