[Verse 1]

Now this is how it sounds when the beat drop  
Could feel her coming closer everytime the beat  
knocks

Got every dude in the place head over hills  
Off of every single tip thats gonna pay her bills

Going down on the pole cause she knows its real  
I think Im falling in love.. Soul 4 Real  
Now I come and visit you practically every week  
Just to try to get a chance just to even speak  
Here Im at the hilton, shoot me a text  
If you cant find the building

Got a couple zips of the Sour D and Granddaddy Purp  
With a couple drinks, we bout to put in some work  
Yea.. and she know, we bout to do it [till we laid out on  
the floor 2x]  
Im bout to take you higher then you ever been  
Show you new tricks that you aint never did..yea

[Chorus]

Got some bottles of Bombay  
And some OG  
Couple shots of Rozay  
And this is what she told me  
[Baby Im uh stay Awl Night 2x]

[Verse 2]

Got this chick looking like Harley Quinn  
Its the kick back baby bring a couple friends  
Got a couple tats that read my name  
And a tracklisting of the tracks  
Thats all in the same yea  
This is how I know  
Me and her was made for eachother you know we go,  
we go  
On the kush plane we aint never coming down  
Time to roll another round and she know... she know

[Chorus]

Got some bottles of Bombay  
And some OG  
Couple shots of Rozay  
And this is what she told me  
[Baby Im uh stay Awl Night 2x]

[Verse 3]

Momma told me, never trust a big ass and a nice smile  
Seductive eyes that can hawk you like a nightowl  
With a body that could make a nigga think of cheating  
That gives you the appetite that is worth the eating  
I see the devil in your eyes your bad for my health  
Got me thinking bout your body, and nobody else

Fucked up my last dealing with a girl like you  
is there a guid on how to stay away from girls like you  
Guess not cause if it was it wouldnt be so hard  
Probably fucked my homeboy how could u be so raw  
I wanna kick you out mylife but I can, Our soft subtle  
conversations  
Turns into rants. Your hearts too small size of an ant  
your never paying me back my heart was a grant.  
Fuck it... dont call me dont even speak, but deep down  
I might call you in a week...chill

[Chorus]

Got some bottles of Bombay  
And some OG  
Couple shots of Rozay  
And this is what she told me  
[Baby Im uh stay Awl Night 2x]
