"Stick this one in your face, motherfucker"

We are the army of the anarchist
Viewed as Americas cicatrix
We are the flawed
We are the scared
We are the true America
Now what the fuck you gonna do that the Devils got a
hold of you
Lie like you always do
We got two words that say it all
FUCK YOU!

Let it all Burn
Let it all Burn,,, embrace the brimstone
Let it all Burn
LET IT BURN!

rrrrrrrrrrrahhÃfÂçâ,¬Ã,Â! I'm so fucking sick of this
Our politics are so unclean
Step back make way for the new regime
The Bombs ÃfÂçâ,¬" The Guns ÃfÂçâ,¬" The Blood
ÃfÂçâ,¬" The Death ÃfÂçâ,¬" The Fun
We can never get enough
These men are gonna pay in blood
And blood will fill the streets

ÃfÂçâ,¬Ã,Â! Believe me, if I started murdering
peopleÃfÂçâ,¬Ã,Â! they're would be none of you
leftÃfÂçâ,¬Ã,Â!

Seething ÃfÂçâ,¬" Screaming ÃfÂçâ,¬" Bleeding
ÃfÂçâ,¬" Murder
Seething /empire
Screaming / contempt
Bleeding / revolt
Screaming

ÃfÂçâ,¬Ã,Â! Maybe I should of killed, then maybe I
would have felt betterÃfÂçâ,¬Ã,Â! and really offered
society somethingÃfÂçâ,¬Ã,Â!

Burn It!
