How did I get here, this place is a nightmare

My friends all told me I would make this mistake

but somehow I cant seem to get out of this place

So what if this shit ends me, at least I know that  
youâ€™ll be

Here when Iâ€™m gone Iâ€™m sick of pretending

Nothing I do will ever mean anything

Iâ€™m crawling back to Minneapolis

For everything I lost, Iâ€™ll try to gain it back

I have been blinded by so many lies and Iâ€™ve tried.

I know that youâ€™ll keep trying to bring me down but  
Iâ€™ll be fine.

Youâ€™ll never admit that you were at fault for the way  
things ended up

Youâ€™ll only see what you want because the truths  
just never enough

So you lie to yourself and all your so called friends

Now we exist to put an end to your games

because in the end we will never be the same.

I have been blinded by so many lies and Iâ€™ve tried.

I know that youâ€™ll keep trying to bring me down but  
Iâ€™ll be fine.

I know, I know, I know, I know, I know

That this is worth it

And I just need you to let me know that I did not  
deserve this

OHHHH!

And now I'm letting you go!

I've heard your lies, I've heard your lies too  
many times

I've heard your lies you know I tried

You know I tried, I never did deserve this.
