Everytime I look at you
You give me butterflies
Whenever I'm with you
Feels like I'm flying in the sky
Looking at you
Makes me so crazy
Just one look
I am satisfied It means a lot to me

Baby you're the only one I want
The only one I need
The way you talk gives me Butterflies
The way you laugh makes me smile

Oh boy you are my everything
You mean a lot to me
My whole day is incomplete
without seeing you
Oh boy don't you know
Just everything about you
Makes me so happy
Don't you know
You're my only one Special Guy

Remember the days
When we were both young
We used to play together
And that time I was so happy
But days passed you don't notice me
What am I supposed
to do to get noticed again by you
I wanna let you know that I Love You

Oh boy you are my everything
You mean a lot to me
My whole day is incomplete
without seeing you
Oh boy don't you know
Just everything about you
Makes me so happy
Don't you know
You're my only one Special Guy

Oh boy you are my everything
You mean a lot to me
My whole day is incomplete
without seeing you
Oh boy donâ€™t you know
Just everything about you
Makes me so happy
Donâ€™t you know
Youâ€™re my only one Special Guy

I may have lots of crushes
But my heart belongs to
Only one special guy
Oh boy donâ€™t you know thatâ€™s you

Oh boy you are my everything
You mean a lot to me
My whole day is incomplete
without seeing you
Oh boy donâ€™t you know
Just everything about you
Makes me so happy
Donâ€™t you know
Youâ€™re my only one Special Guy

Oh boy you are my everything
You mean a lot to me
My whole day is incomplete
without seeing you
Oh boy donâ€™t you know
Just everything about you
Makes me so happy
Donâ€™t you know
Youâ€™re my only one Special Guy

Baby youâ€™re the only one I want
The only one I need
The way you talk gives me Butterflies
The way you laugh makes me smile

Oh boy you are my everything
You mean a lot to me
My whole day is incomplete
without seeing you
Oh boy donâ€™t you know
Just everything about you
Makes me so happy
Donâ€™t you know
Youâ€™re my only one Special Guy

La la la la la la la la
La la la la la la la la
La la la la la la la la

Youâ€™re my only one. Only one

Oh oh ooh

My only one special guy
