I got the feeling of love
I get that feeling
And my mind starts racing

She just can't get enough
She gets that feeling
And her legs start shaking

What do you want from this boy?
What can I do for you girl?

Tempt me
All night
Tease me
It's alright

I get the feeling you're lying
I got the feeling that you
Got nowhere to be

I get the feeling you're trying
Trying hard not to
Fall to hard for me

What do you want from this boy?
What can I do for you girl?

Tempt me
All night
Tease me
It's alright

You can use me
Right or wrong
Just as long as you turn me on
Don't you leave me
Running to long
Or I just might be running on

I got the feeling
I got the feeling running through my fingers
I got the feeling

I got the feeling running through my toes

What do you want from this boy?

What can I do for you girl?

Tempt me

All night

Tease me

It's alright

Make me lose my mind
