Damn Girl Look At Her

Alright

Met a girl at Myrtle Beach on the Board Walk making
sweet eyes at me

She can be a Georgia Peach, A Bama Babe or a
Carolina Queen
I though Yeah look at that smile daisy dukes that drive
me wild
Backwards camo braves hat on cover bands rockin and
shes singin along

Chorus:

Girl climb on up into the bed of my truck, slide over to
the middle seat you look like you need a rough neck
alot more than
a man whos sweet

Come on girl let your hair down live wild and free

When I look inside your eyes I see Your Country as Me

She was hot as fire under neon lights DTF and lookin
for a good time

We hit the clubs all night shut em down and watched
that sun rise

God blessed blue jeans, blue eyes fallin in love on a
miracle mile

Chorus:

Girl climb on up into the bed of my truck, slide over to
the middle seat you look like you need a rough neck
alot more than
a man whos sweet

She dont like whine she likes Jim Beam and Bud Light,
sittin on a tail gate around a Bon Fire

On a Oveye county saturday night

Chorus:

Girl climb on up into the bed of my truck, slide over to
the middle seat you look like you need a rough neck
alot more than
a man whos sweet

When I look inside your eyes I see Your country as me
