17 through 22, runnin' wild through the streets with an  
attitude  
Down at Tiger Town Tavern in that old ten Ruth, thinkin'  
we were cool  
With fake ID's and on daddy's dime  
Yea we made it to class when we made the time  
Oh but usually we had a little mornin' miles  
Like them tailgates Saturdays and Friday nights

We were young and in love every single week  
Learnin' more about life than they could ever teach  
Couple dollars and some freedom was all we need to  
get us far  
Yea, we were lookin' like rockstars, shuttin' down bars  
From PBJ's & PBR's

That Sigma Ki gig every other Thursday  
Wouldn't make a penny, but we tried to play  
We cut a song for all of them college honeys  
Give ole Luke Bryan a run for his money

We were young and in love every single week  
Learnin' more about life than they could ever teach  
Couple dollars and some freedom was all we need to  
get us far  
Yea, we were lookin' like rockstars, shuttin' down bars  
From PBJ's & PBR's

Now lookin' back on those days  
I wouldn't change a thing

Yea, we were young and in love every single week  
Learnin' more about life than they could ever teach  
Couple dollars and some freedom was all we need to  
get us far  
And it sure got us far

Young and in love every single week  
Learnin' more about life than they could ever teach  
Couple dollars and some freedom was all we need to  
get us far

Yea, we were lookin' like rockstars, shuttin' down bars  
From PBJ's & PBR's
