When I walked into the movie
I was walking alone
I looked at the picture
You know I'd seen the whole thing before

Can you believe it?
Man bites dog in the end
Take it or leave it
It's just another big night down the drain
Oh no
Another big night down the drain
Oh no

Summer is over
Me? I spent the whole thing inside
I'm thinking it over
What did you call it 'cause I couldn't decide

I called my momma
She said, "Jimmy why you always complain?"
Life is a bummer
It's just another big night down the drain

Oh no
Another big night down the drain
Oh no

Up on the bridge
Outta my head
I can see my house from here

Am I a man
Or am I a mouse?
Ch-ch-check it out

It's just another big night baby
Now you know I don't mean maybe
It's just another wasted moment
It's just another sad sack song and
It really hurts, don't it?
And it really hurts, don't it?

It's just another big night baby
Big night down the drain
Oh no
Another big night down the drain
Oh no
Another big night down the drain
Oh no
Another big night down the drain
