mou anata kara aisareru koto mo  
hitsuyou to sareru koto mo nai  
soshite watashi ha kou shite hitoribocchi de

I no longer need you to love me,  
I'm no longer necessary for you.  
And thus, just like this I'm alone!

ano toki anata ha nante itta no?  
todokanai kotoba ha chuu wo mau  
wakatteru noni kyou mo shiteshimau  
kanawanu negai goto wo

What was it that you said back then?  
Those words which didn't reach me now dance in  
the heavens.  
Although I know it very well, I continue  
to make a wish that will never come true.

hanasanaide  
gyutto te wo nigitteite  
anata to futari tsudzuku to itte  
tsunaida sono te ha atatakakute  
yasashikatta

Don't let go!  
hold my hand tight!  
say we'll continue being together!  
our held hands used to be so warm  
and so tender.

anata ha itsumo sou yatte  
watashi wo okorasete saigo ni nakasunda  
dakedo ato ni natte  
gomen ne tte iu  
sono kao suki datta

You were always like that,  
making me angry and in the end, making me cry.  
But afterwards  
you would apologize!

I loved your face while doing so.

hanasanaide  
gyutto sou omoikkiri  
anata no ude no naka ni itai  
futari de odeko wo awasenagara  
nemuru no

Don't let go!  
hold me with all your might!  
I want to stay in your arms!  
I want us to sleep with our foreheads  
together.

mou nido to ha aenai tte koto wo shitteta no?

Did you know we would never see each other again?

hanasanaide  
gyutto anata ga suki  
mou ichido datte warattekurenai no  
anata no nukumori ga kiechau mae ni  
dakishimete

Don't let go!  
hold tightly, I love you!  
You will not smile for me ever again!  
so before your warmth disappears,  
hold me in your arms.
