I see you
When I see you, baby.
What can I do?
Come save me.
When I need you,
(every second, everyday.)
Yes it's true.
When I tell you that
I might seem crazy.
For you baby take my hand and don't let go
There's just one thing you should know
CHORUS
I'm here in love
Cuz nobody's like you
I'm here in love
To show you I care
You gave me your heart no you weren't the first,
but you are the best
So I'm here in love again
With you, with you, with you
I'm here in love again
With you, with you, with you
I'm here in love again
I can't lose, lately
Cuz I'm with you, now baby
And I'll be waiting for you, waiting for you
When you can catch up
So I might seem so crazy for you
Baby take my hand and don't let go
There's just one thing you should know
CHORUS
I'm here in love
Cuz nobody's like you
I'm here in love
To show you I care
You gave me your heart no you weren't the first,
but you are the best
So I'm here in love again
With you, with you, with you
I'm here in love again
With you, with you, with you
I'm here in love again

Baby don't you wait no more
(I feel it, I feel it)
Baby don't you wait no more
(I'm nearly here in love; in love; in love; I feel it)
CHORUS
I'm here in love
Cuz nobody's like you
I'm here in love
To show you I care
You gave me your heart "no you weren't the first,
but you are the best
So I'm here in love again
With yooou, with yooou, with yooou
I'm here in love again
With yooou, with yooou, with yooou
I'm here in love again
