I'm a little selfish  
With a lot to give  
I'm a broken bone  
I'm a losing bid

I know  
You want me in, in my place

I'm damaged bliss  
I'm an unknown voice  
Make you feel less alone  
But I'm not your toy  
I know  
You want me out, out of your face

I can smile for the camera  
I can feed you my heart  
I can lie laughing at you  
I can act my part  
And it's not the way I  
Wanted it to be  
But no one ever asked me  
So I smile for the camera  
And I act my part  
Whoa

Under my skin  
Written in my blood  
There's a secret I keep  
It's the mask you love

I know  
You don't know me at all

I'm a little bit bruised  
Living in the lies  
But you hunger for more  
Not the pain, my disguise  
I'll be your fight, be your fall

I can smile for the camera  
I can feed you my heart

I can lie laughing at you  
I can act my part  
And it's not the way I  
Wanted it to be  
But no one ever asked me  
So I smile for the camera  
And I act my part  
Whoa

And under everything I hide away  
Buried deep another face  
All the secrets you will never know  
No... no...

I can smile for the camera  
I can feed you my heart  
I can lie laughing at you  
I can act my part  
And it's not the way I  
Wanted it to be  
But no one ever asked me  
So I smile for the camera  
And I act my part  
Whoa
