We're in a river bleeding down and it's up to our heads  
Try to swim our way out of it but our friends are all  
Dead

We gotta hold  
Hold on to each other  
Each other  
Gotta hold  
Hold on to each other  
Each other  
We gotta hold  
Hold on to each other  
Each other  
Gotta hold  
Hold on to each other  
Each other  
Yeah-oh

Can't look back 'cuz the past is a terrible mess  
We won't die  
We'll survive the apocalypse

We gotta hold  
Hold on to each other  
Each other  
Gotta hold  
Hold on to each other  
Each other  
We gotta hold  
Hold on to each other  
Each other  
Gotta hold  
Hold on to each other  
Each other  
Yeah-oh

No, no, no, no  
'Cuz when the sun comes out we're waiting for the sky  
To break  
No, no, no, no  
'Cuz when the sun goes down we're waiting for the  
world

To wake up

We gotta hold  
Hold on to each other  
Each other  
Gotta hold  
Hold on to each other  
Each other  
We gotta hold  
Hold on to each other  
Each other  
Gotta hold  
Hold on to each other  
Each other

We gotta hold  
We gotta hold  
Hold on  
Hold on  
Hold on to each other
