"Dum Dum"

[VERSE]

You know it turns me on when the beat  
starts dirty dancing

The way it goes at me

I can almost feel it's rage

Takes me to a place

where I unleash my demons

A sexy, tensious, looking to get loud

Gonna shake my money maker,

DJ make me go...

(Dum dum dum dum dum dum dum dum

dum dum dum dum dum dum dum dum)

Hit, hit, hit me with the remix I'm 'bout to turn 'em out...

(Dum dum dum dum dum dum dum dum

dum dum dum dum dum dum dum dum)

[CHORUS]

Bass in my face

Put the bass in my face

Put the bass in my face

Put the bass in my face

Put the bass in my face

Bass in my face

Bass in my face

Put the bass in my face

Dum dum dum dum dum

(turn it up turn it up)

Dum dum dum dum dum

(turn it up turn it up)

Dum dum dum dum dum dum dum dum

dum dum dum dum dum dum dum dum
