Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Why do I love you so much  
When you're a love killer  
Why do I give you my love  
When you're a love killer

You gave me butterflies,  
And then you shot them down  
Straight off the sky  
You make my hart tick-off  
To kick it on the ground  
You don't even try

Uh, I got better options but  
All that I want is just  
You-hu, you-hu  
Keep doing the things that you do  
Got me like drunk

Why do I love you so much  
When you're a love killer  
Why do I give you my love  
When you're a love killer  
Baby baby you're like the worst drug  
But you're a buzz killer  
You're a love, you're a love killer  
I'm in love with a love killer

Obliterate my trust  
Assassinate my dreams  
You're nothing but cold  
But baby I just know,  
That no one in the world  
Could love you if I don't

You-hu, have got better options than you-hu  
And all of my friends they hate, you-hu, you-hu  
Cause all of the things that you do  
Got me like uh

Why do I love you so much

When you're a love killer  
Why do I give you my love  
When you're a love killer  
Baby baby you're like the worst drug  
But you're a buzz killer  
You're a love, you're a love killer  
I'm in love with a love killer

La-la-la-la-la love  
You want some more?  
I'm a love killer  
La-la-la-la-la love  
You want some more?  
I'm a love killer

Why do I love you so much?  
Why do I love you so much?  
Why?

Why do I love you so much  
When you're a love killer  
Why do I give you my love  
When you're a love killer  
Baby baby you're like the worst drug  
But you're a buzz killer  
You're a love, you're a love killer  
I'm in love with a love killer

Why do I love you so much  
When you're a love killer  
Why do I give you my love  
When you're a love killer  
Baby baby you're like the worst drug  
But you're a buzz killer  
You're a love, you're a love killer  
I'm in love with a love killer
