if i asked you to lie would you do it  
without asking me why  
please remember that cowboys don't cry so i need you  
to act like a man  
yes i need you to act like a man

if i told i done terrible things would you keep all my  
secrets forgive all my sins  
don't you know that heroes don't always win  
so i need you to act like a man  
yes i need you to act like a man

if you want to stand by my side  
you'd have to break the law  
and be willing to die  
sometimes good truth is just based on a lie  
so i need to act like a man  
yes i need you to act like a man

when the battle is over  
and victory is claimed when  
the enemies is defeated my demons are slain  
i want you to know that i will do the same

I'll do everything i can  
I'll do everything i can  
i will be yours if you act like a man \*2  
I'll be, I'll be ,I'll be ,I'll be yours if you act like a man  
I'll be yours I'll be yours if you act like a man
