### Verse 1 - JM

Oh I Get Low. (Low) I get so low. ooooo  
I get SoLo I get High~! I get by! Ha! I can't lie.  
Ha! Its hard sometimes, but I, i try~!

Everything i thought it was the same as before,  
Well, i looked into the light, I didn't see it no more  
Let my hopes get up,. and then they get crushed down  
oooo, so Down!

its going down down down, with the greatest of ease.  
Monday to Friday, Sundays are my days!  
To get my Space and lay waste to the week  
But please, give me some room to breathe.

### Verse 2 - Sleep

I get high (high) I get high when i'm low  
i've been low (low) i've been lower than this  
before  
Won't fall apart no. It's okey dokey okay  
a yo a yo a yo a yo o la o la o la aye

I ain't waisting seconds (tic-tock)  
Feeling sorry for my (self) self any longer  
Nothing (nothing) absolutely nothing I can do about it.  
I know the road is rocky but i'm on it anyway

And nothing can stop me speaking,  
needing to believe this is more than a dream  
i've been low for so long and i'll hold on  
to whatever I got till it tears at the seams.

### Bridge:

Wooo-ohoh-well!  
If you don't got no money say it  
if you ain't got nobody sing it:  
Wooo-ohoh-well!  
(2x)

### Outro:

Fuck it! (5x)
