Verse 1

JM: Roll into the party, kiss the farmer's daughter
Kissed a lot of desperadas, and did a lotta travels
and half the battle, is catching on to patterns
so fol-low the trail of death rattles

Sleep: Time to skeedaddle, follow the wind to where it
take us,

all the way to cali to get famous..

JM: it went around the world On the wings of a bird,
And now its the pigs that got ya scurred...

Sleep: Overnight sensation, the media loves me
People want to hear about my travels to different
countries

They ask when I'm coming if I'm the same as
when I started

Or if I've changed since i was first reported.

JM: Nightly news views, change like my shoes
Sir over here / Where ya from? / Why'd you come?

Sleep: They cant get enough of me, rose to fame
suddenly

What chu want? Just looking for someone to hold me

Chorus

Sleep: Everybody, Everybody C'mon.

and do a dance with me. C'mon.

JM: Every-body loathes me, and No - Body loves me!
I must be the loneliest talk of the town.

Verse 2

JM: If you dance for me first one's free (first
one's free)

If it's on me now it's on you (now it's on
you)

spread it around (spread it around) go tell a friend
what goes around (what goes around) comes round
again (comes round again.. ha ...ha)

Sleep:

Can't get enough space I'm always in the

public.
My reputation getting shredded amongst them.
Saying I can't be trusted or I'm overrated.
I'm going places, but I still know I'm hated.
But that's what I get for keeping my head to the
sky,
dreaming I could fly. All I did was try.
What a crazy ride. Can only tell with time,
if I'll be remembered, after I die.

Verse 3 - Soggy Bottom Bridge

Now that I can fly, I'm never going back to that old
pigsty
I'm grabbing my girl gonna travel around the
world...and taste the life.
