[Intro: Chief Keef]

I Love All My Fans, Without Ya'll I Wouldn't Get Famous  
Da da da da eh, These Niggas Fuck with My Campaign  
These Bitches Know My Name

[Chorus:]

I know I'm finally rich, but a damn dang ain't gon'  
change  
Me and my boys still bang  
With a glock nigga up no range  
Bitch I'm Finally Rich  
I could ride foreign cars, I love all my fans, without ya'll  
I wouldn't get far  
Bitch I'm Finally Rich  
I smoke all the dope, I get so high just see the scope,  
Real nigga from the O  
Bitch I'm Finally Rich  
And you ain't the same, All These Niggas Follow my  
Campaign  
Now these Bitches Know My Name  
Bitch I'm Finally Rich

[Chief Keef:]

I'm a show you how to ball, first you walk up in the mall,  
hit every store and buy it all, cause it ain't shit  
I be flexing on these lames, I'm a O-Block nigga can't

That's why I got rich  
So I take care of my mom, take care of my daughter,  
and take care of my brothers  
But I'm finally rich  
So just watch who will stack this chedda, Flexing on  
these niggas no better, hate on me it don't matter  
So just watch who will stack this chedda, Flexing on  
these niggas no better, hate on me it don't matter

[Chorus:]

I know I'm finally rich, but a damn dang ain't gon'  
change

Me and my boys still bang  
With a glock nigga up no range  
Bitch I'm Finally Rich  
I could ride foreign cars, I love all my fans, without ya'll
