I got a sack now

Try us, it's mack rounds

Call us 30 Clips, shorty blow your back down

You can't turn me down

'Cause this is that loud

I am the man, bitch

Yeah, how that sound?

Just for a fact, now

I got a sack now

I love stuntin', bitch

I act a ass, now

Just for a fact, now

I got a sack now

I love stuntin', bitch

I act a ass, now

[Verse 1: Lil' Durk]

I got a sack, now

3-5 now

Since I got a name, you can check my background

Just 'cause I rap now

Can't put that mack down

'Cause I'm stacked up, try to rob me and get clapped
down

I claim OTF, I claim O-Block

Got 300 guns, blow at your block

I'm a young nigga

Send shots at your block

Fuck a op, got cops - we on top

We 'bout that bullshit

Like D. Rose

Call number nine, free D-Ro
I got a sack now
Don't trick to these hoes
I got a sack now
Don't trick to these hoes

[Hook]

[Verse 2: Chief Keef]

Act a ass now
Where my cash now
Where them bricks, now?
Sit your ass down
Where the loud at?
Shit, I need it now
Or else the mack rounds'll
Blow your ass down
Don't try us like we punks we so fuckin' dangerous
I'm sitting at the top for a little, face it
These bitches at my shows came to stare at me
It's a owin' note to y'all, but ain't no owin' we

On the low, hoe
I love stuntin', bitch
My bitches multiply
Can't fuck with one bitch

On the low, hoe
I love stuntin', bitch
My bitches multiply
Can't fuck with one bitch

[Hook]
