Broke niggas we see right through ya
Bitch chief Sosa getting that mula

[Verse 1: Chief Keef]

Every time I look up my bitch starting some shit
Damn I hate a bitch that like to argue and shit
Go so much designer shit youâ€™ll think Iâ€™m all on this
shit
There go the glory boyz again the popping bottle and
shit
I say if you need a feature homeboy hitâ€™ up my
line
I love when me and Ben Franklin be spending some
time
Walk in the mall by all the stores?
And if your boyfriend wanna be like me tell him get on
his grind
