I be off some shits, can't shit upset me
I come through in my Rari, kickin shit like Jet Li
Hop in my Bentley, please do not tempt me
I come through in my Audi, chop some shit like Jet Li
She see my neck piece now she wanna molest me
and I'mma let her do it, break a bitch like Jet Li
Jet Li yeah bitch Jet Li
If that bitch don't respect me, I kick that bitch like Jet Li

Verse #1.

My life a movie Kung Fu movie
that bitch don't wanna do me
I kick that bitch like Bruce Lee
On chelsea, smoking on this QP
And if she dont do me, I kick that bitch like Bruce Lee
She gon regret me, regret that she ain't let me
Kick a bitch to the curb, to the curb like Jet Li
She see my ear piece, my wrist piece, my neck piece
Johnny Dang ice on, he chop some shit like Jet Li

I be off some shits, can't shit upset me
I come through in my Rari, kickin shit like Jet Li
Hop in my Bentley, please do not tempt me
I come through in my Audi, chop some shit like Jet Li
She see my neck piece now she wanna molest me
and I'mma let her do it, break a bitch like Jet Li
Jet Li yeah bitch Jet Li
If that bitch don't respect me, I kick that bitch like Jet Li
