[Hook]

I been ballin' so damn hard I swear I think that I'm Kobe
Young bull of this rap sh*t but I think that I'm Kobe
I swear I'm dunkin' on these hoes on these n*ggas I'm
free throwin'

These boys they don't like me cause I think that I'm
Kobe

Watch me hit the strip club make it rain like I'm Kobe
Industry full of lames I play the game like I'm Kobe
And since I think I'm Kobe my b*tch don't like to know
me

This is for them n*ggas that be thinking they Kobe

[Verse 1]

I say baby I got the racks she like you need to show me
She gon' wanna blow me cause I ball like I'm Kobe
On my right wrist Versace, on my left wrist a Rolly
I hold my Rolly up and now them bad b*tches on me
I pull them hundreds out my right pocket, fifties out my
left

I'm ballin' like I'm Kobe, I got plug with the ref
Watch me shoot this three, infirmaries, death
I got twenty seven more of them be courtesy shells
Since I signed with Jimmy lovine I swear I think that I'm
Kobe

You boys won't be like me and I think that you owe me
Since I signed with Jimmy lovine I swear I think that I'm
Kobe

You boys won't be like me and I think that you owe me
