[Hook]

Goofy ass nigga tryna kick it wit' no legs (you can't)
If ya outcome ain't income, You thinkin' wit' no head
Broke boy I wonder why you ain't gettin' no bread
(dumbass)
Told yo' bitch to get on her knees I don't want no sex
Goofy ass niggas sippin' cough syrup, that ain't no lean
(stop it)
Goofy ass nigga tryna fly without no wings (stop it)
Goofy ass nigga, wish you die up in yo' dreams bitch
You a goofy ass niggas, shouldn't lie for no reason

[Verse 1: Chief Keef]

I'm coolin' in the trap, Gettin' high fo' no reason,
T word grab my strap, He gon' blast for no reason
If you knockin' at my trap, Betta' knock for a reason
Tray Savage got the Mac
Got shots for the whole four seasons (bang bang)
I got that bitch number I didn't need it
'Cause if I text her she gon' wanna call me for no
reason
(What you want?)
And I don't like talkin' for no reason
(I don't like talkin')
I fucked her and made her walk for the four seasons
(dumb thot!)
