(Hook) x2

It ain't my fucking call me all the time  
When I be on the grind  
And all these niggas wanna hate  
She ask why I'm on 'rarris all the time  
'Cause I just wanna shine  
And be a young nigga getting cake

I'm on a road, just so you know  
Bitch I'm from the O  
I can never sell my soul  
I just saw the money roll  
Till it's no more  
But I can never go  
I just gotta see that dough  
I be grinding from so high to so low  
Chillin with my bros making music, smoking dough  
We be tall fucking hoe,  
It's rude and blurry boss  
It's me and fredo and you know we got bank rolls  
Pull the queue upon the lock before it drops  
I'ma cop a photo push enough dropping the top  
Show no love for a thug, her ass locked on my watch  
Guaranteed to get this guap bitch I can't drop from the top

(Hook) x2

It ain't my fucking call me all the time  
When I be on the grind  
And all these niggas wanna hate  
She ask why I'm on 'rarris all the time  
'Cause I just wanna shine  
And be a young nigga getting cake

Drop, man I need some dope  
I need a bank roll, a bank roll that can't fold  
No I'ma smoke this dope till there's no more  
Call out the door and tell her we need some more  
Now let's hit the studio, it's me and Tato  
And you know we got them hoes, got them hoes kiss  
rainbow  
We be in with like travela fucking foreign ducks

I got a foreign watch, and I got a foreign car  
It ain't for this money on my line  
And she call me all the time  
She say she don't wanna wait  
She ask why I know her all the time  
'Cause I be on the grind  
I gotta get this cake, getting cake

(Hook) x2  
It ain't my fucking call me all the time  
When I be on the grind  
And all these niggas wanna hate  
She ask why I'm on 'rarris all the time  
'Cause I just wanna shine  
And be a young nigga getting cake
