

100 thous all hundreds understand me(understand me)  
Understand me, (understand me)  
I gotta get this money  
Understand me (understand me)  
Understand me  
Bitch my name is Sosa  
You can call me Sammy

[Verse 2 Young Jeezy]

Fake ass niggas that's a shit I don't like  
Kilogram flow, that's the shit I don't write  
All these fucking games, that's the shit I don't play  
2 door Murcielago and it's smoke grey  
Keep that 50 cal. that bitch might come in handy  
It will open up a nigga like some candy (BOOM)  
In the barrel, look like a Cambell's soup can  
Banana clips in the closet like a fruit stand (HAHA)  
Talkin 36 O's and I'm the OG  
One time I sit and watch a nigga snort a whole key  
Muzzle on the rock, while it flash it go bang  
Spent a hundred grand one ring, no chain  
Got em pitchin wild 100's, keep it 300  
Man that head so good bought her a 300  
Understand me  
Nigga  
Understand me  
If thuggin was a category  
I'd win a Grammy

[Hook: Chief Keef]

That bitch say that she don't understand me. (Fuck her)

Now my money come in handy  
I gotta get this money  
Understand me?  
100 thous all hundreds understand me(understand me)  
Understand me, (understand me)  
I gotta get this money  
Understand me (understand me)  
Understand me  
Bitch my name is Sosa  
You can call me Sammy
