Bridge

Chillaa:

Ima hustle for mine 24/7 grind if you look in my eyes
you see them dollar signs
Ima hustle for mine 24/7 grind on my way to the top
one step at a time

Chorus

Junior Reid:

From 6 O'Clock yo me touch di block, work all day and
me just come back
Pocket flat whoa me never mek no cash tomorrow
morning me try another thing back
From 6 O'Clock yo me touch di block, work all day and
me just come back
Pocket flat whoa me never mek no cash tomorrow
morning is another day that

Verse 1

Chillaa:

I hustle everyday I gotta get my dough I'm never
satisfied cause I'm always wanting more
Grinding and respect is all a nigga know and if you
disrespect then yeah you gotta go
I'm on the scheme grinding for what I don't got a
Porsche Carrera and a mansion on the hill top
Life in the fast lane need for speed determination and
motivation is all you need
Chillaa chillin with a whole lotta spinach I'm a real street
dog you can tell by my image
Look into my eyes you can count a million moneys not a
problem and I'm not afraid to spend it (uh uh)
I don't got time to waste got money on my mind and
paper to chase yeah
I start to hustle from really early wake up at 5:30 then

Chorus

Verse 2

Dangles:

Clarks and sneakers cellphones laptops and beepers
Like right roll up the reefers park the weekend down a

beavers
Do road and cut like scissors bruk bread fi di youths
like Jesus
Sip champagne and teachers chrome rims pon M3
beamers
Me a hustle everyday until me get that work in the sun
til me get black
Push it to the limit man a boss like Rick Ross
Me nuh watch nuh set back so tell the haters get back
Chillaa pon di beat and make the people rock them
necks back yeah
Some presidential money couple housing schemes
residential money
Me wi run di race if you mention money but me nah sell
me soul or do nothing funny (no)
And tell them haters be quiet pockets on fat while
your's on a diet
Ye I brought the mula and the green forget it man you
know what I mean
Valley born!

Chorus
