Baby, watchin', streets
You don't have to look
The streets is watchin'
Check it, check
Check

Look, if I shoot you, I'm brainless
But if you shoot me, then you're famous 'what's a
nigga to do?'
When the, streets is watching, blocks keep clocking
Waiting for you to break, make your first mistake
Can't ignore it, that's the fastest way to get extorted
But my time is money, at twenty-five, I can't afford it
Beef is sorted like Godiva, chocolates
Niggaz you bought it, I pull the slide back and cock it

Plan aborted, you and your mans get a pass
This rhyme, you're operating on fuck time
You all niggaz ain't worth my shells, all you all niggaz
Tryin' to do is hurt my sales, and stop trips to John
McNale
The type to start a beef then, run to the cops
When I see you in the street got, one in the drop
Would I rather be on tour getting a, hundred a pop
Taking pictures with some bitches, in front of the drop
The streets is watchin'

When the, streets is watchin'
Blocks keep clocking
Waiting for you to break, make your first mistake
Can't ignore it

Now it's hard
