I see straight through your lies
There's no where left to hide
My hearts still beating
But these wounds are still bleeding

I gave you my heart
Then lie by lie
You tore it apart
And now it's my turn

What a hopeless case of whore you are
So pretty with all your scars
My gift to you
For a love so untrue
What a hopeless case of whore you are
This time you have gone too far (you have gone too far)
My gift to you
For a love so untrue

You're to blame for this rope
Hanging from your false hope
What is left to believe
When you're all I need
Have I told you how pretty you are when you bleed

I gave you my heart
Then lie by lie
You tore it apart
And now it's my turn

What a hopeless case of whore you are
So pretty with all your scars
My gift to you
For a love so untrue
What a hopeless case of whore you are
This time you have gone too far (you have gone too far)
My gift to you
For a love so untrue

Are you still screaming

Or am I still dreaming
Just one last kiss than there wont be nothing to miss
anymore
Are you still screaming
Or am I still dreaming
Just one last kiss than there wont be nothing to miss
anymore

Have I told you how pretty you are when you bleed
Have I told you how pretty you are when you bleed
And now it's my fucking turn

What a hopeless case of whore you are
So pretty with all your scars
My gift to you
For a love so untrue
What a hopeless case of whore you are
This time you have gone too far (you have gone too
far)
My gift to you
For a love so untrue

For someone like you
