[Verse]

Lost in confusion,
Not knowing which way to return to the person you
know,
This trepidation makes you?take it out on someone
else,
You forever, everybody wins,
I don't think so,

[Chorus]

What would the worst thing be if you took the wheel
and you lost control,
No one is safe inside your safety zone,
Don't understand but I hear what you're saying, ?
repetition of a lonely life,
Somebody tell me why the heart is waging war against
the?friends of the enemy of your mind,

[Verse]

Not your opinion, ?
Sounds like you learn it from a show,
It appears you have lost,
So sick of marching in your loneliness parade,
Stay together underneath a giant tidal wave,

[Chorus]

What would the worst thing be if you took the wheel
and you lost control,
No one is safe inside your safety zone
Don't understand but I hear what you're saying,
repetition of a lonely life,
Somebody tell me why the heart is waging war against
the?
Friends of the enemy of your mind,

Your imatated ordinary life,

[Chorus]

It's when that you can't break free can you take a
chance as you let it go, ?
Happy without the words you'll never know,

No way to lose when your mimicking you're paying,
A no decision forbidden home?
No one is safe inside your safety zone,
Don't understand but I hear what you're saying
repetition of a lonely life
No one is safe inside your safety zone,
Don't understand but I hear what you're saying the
repetition of a lonely soul,
No one is safe inside your zone.?
