I couldn't tell you  
Why she felt that way  
She felt it every day  
And I couldn't help her  
I just watched her make the same mistakes again

What's wrong what's wrong now  
Too many too many problems  
Don't know where she belongs  
Where she belongs

Chorus:  
She wants to go home  
But nobody's home  
That's where she lies  
Broken inside  
With no place to go  
No place to go  
To dry her eyes  
Broken inside

Open your eyes  
And look outside  
Find the reason why  
You've been rejected  
Now you can't find  
What you've left behind

Be strong be strong now  
Too many too many problems  
Don't know where she belongs  
Where she belongs

Chorus

Her feelings she hides  
Her dreams she can't find  
She's losing her mind  
She's falling behind

She can't find her place

She's losing her faith  
She's falling from grace  
She's all over the place yeah

Chorus

She's lost inside lost inside  
Oh ohh  
She's lost inside lost inside  
Oh ohh
