Can you hear me
Barely breathing
As you pass me by
You're an angel
With a body
Got me crazy
Without even trying

I'm a mess
I'm a wreck
No one makes me feel like this

Beautiful girl
Can you see me falling
All I want is you
Make this a beautiful world
Now my heart is calling
So caught up in you
I wish I could carry you away
And I don't even know your name
Do you even know
You're a beautiful girl

Conversations
I imagine
Were they in my head
Did I wake up
Am I dreaming
Are you here now
Baby, in my bed

I'm a mess
I'm a wreck
If I ask would you say yes

Beautiful girl
Can you see me falling
All I want is you
Now my heart is calling
So caught up in you
I wish I could carry you away
And I don't even know your name

Beautiful girl
Do you even know
You're a beautiful girl

Can you see me falling
Baby, I'm falling

Can you hear me
Barely breathing
As you pass me by

Beautiful girl
Can you see me falling
All I want is you
Make this a beautiful world
Now my heart is calling
So caught up in you
I wish I could carry you away
And I don't even know your name
And ever I go
Do you even know
You're a beautiful girl

Do you even know
You're a beautiful girl
