There was a time
The sun would shine
The sparrow would sing
And with every step
I felt your breath
So close to me

But now, its been so long
Since i heard that song
Or felt you breathe

I donâ€™t hear a single word
But iâ€™m listening
The writing on the wall is blurred
And faded
I know that iâ€™m not giving up
But sometimes silence is not enough
I just need a single word
But iâ€™ll keep waiting for a whisper

So dark and cold
I need a hand to hold
To lead me home
I donâ€™t have the fight
To get me through the night
I canâ€™t do it all alone

I spent a thousand words
And still havenâ€™t heard
Anything returned

I canâ€™t hear a single word
But iâ€™m listening
The writing on the wall is blurred
And faded
I know that iâ€™m not giving up
But sometimes silence is not enough
I just need a single word
And iâ€™m still waiting for a whisper
And iâ€™ll keep waiting for a whisper

There is a time for the sun to shine

The sparrow will sing
